Team Sports/Advanced PE is an elective course that students may choose to take to continue their physical education instruction. The course consists of outdoor, gym, and other physical education activities.

Class Rules-

Students must follow game rules, put forth a good effort, respect others, follow all directions and take care of the equipment. Participation is mandatory therefore students must be here on time and be prepared. Bringing gym shoes and gym clothes are essential to being prepared for participation in PE.

Attendance

Attendance and participation are mandatory students are responsible for material covered when they are absent. They must report to the instructor upon return to class and materials will be given to them. Poor attendance/Tardies can reduce your grade.

Grading

A point system will be used to determine each student's grade for each nine-week marking period. You will be giving an "A" to start. It is yours to lose. Non-participation and behavior issues will result in a "0" and will drop your grade a full letter grade. Not dressing, but participating will be a drop of 25 points.

Points will also be deducted when a student chooses **not** to follow class rules or directions.

Excuses

Students are not excused from participating in any activities unless excused by a doctor. Students will be given full credit for excused no dresses. Other situations will be addressed on an individual basis.

No Dress

Students who chose to not dress and participate may be required to do some form of physical activities. Students will **not** be allowed to bring other class work into the P.E. class. Student athletes are **not excused** from the day's lesson on a "game day" and will dress and participate in all classes.

TARDINESS

Tardies will be given if you not in line or in the activity area when I get to your name during attendance.

ARRIVAL & DISMISSAL

Do not waste time in the hallways. After the bell rings between classes you will be given 2-3 extra minutes to change and get to the activity area. Ten minutes will be given at the end of class to shower and change.

Students may not leave the activity area without permission. They must stay in the gym prior to the bell.

Students who choose to leave the gym may result in school suspension as per district policy.

UNIFORM

GYM: Gym shoes (non-marking soles as designated as indoor shoes) Shoes must be tied so they do not fall off, T-shirt or sweatshirt, shorts or sweats. Clothing must be appropriate for school.

Belongings left on the floor and benches will be placed in the lost and found. The floor in the locker room must be kept clean.
